Queens's Baton Relay

We were delighted to have had the Queen's Baton Relay visit our school as it makes its way across the country in lead up to the Gold Coast 2018 Commonwealth Games. We all went out of class to wait for the Queens Baton to run though our school. We all got ready. We all watched as a stick with lights and of course a letter from the queen rushed past us, everybody was excited to see it, well it was from the queen and it travelled a long way to get here. There it was one person handed it to the other and he jogged through our school, to the next. Once we had seen it we all went back inside.

Year 7 Sleepover:

At the year 7 Sleepover when we first got there we really just went around, then we brought out boogie boards and did a slip and slide. More people started to show up and we had more in line they got kids to wet them. It was a great afternoon, pizza arrived for dinner and they just hung out. After a while we were sent up to the year seven area for free time, some people took showers, some went around school and others played soccer in the hall with Mr Balmer. Then it was up to bed and lights out. When we woke up we had to wait until we were able to roam free then we had breakfast, then showers and get ready for school. It was a great sleepover and was really fun.
